

Available in 11.5 oz., 5 lb., and 25 lb. sizes.

BIOTIC pH+
Canine and Feline Food Supplement
Made in USA

Biotic pH+™ is designed to enhance and augment the nutritional value of dog and cat foods.

Net Wt. 11.5 oz. (326 g)

Keep tightly sealed, freeze, refrigerate, or store in a cool dark place.

Directions: (3-4 shakes = 1 tsp.; 3 tsp. = 1 Tbsp.; 1 tsp. = 0.105 oz.)

Top-dress or mix with each feeding:

Weaning kittens and puppies – A pinch (light shake) with each feeding.

Adult Cats – One teaspoon (3-4 full shakes) daily. Divide among feedings.

Growing puppies and adult dogs – One teaspoon (3-4 full shakes) per 15 lbs. body weight daily. Divide among feedings.

- Biotic pH+™ Canine and Feline Food Supplement is intended for intermittent or supplemental feeding only. May be mixed with moist foods to form boluses to force feed anorectic cats and dogs. If loose stool develops, reduce amount and/or switch to a lower protein/fat diet.
- Vitamin or mineral supplements need not be used with Biotic pH+™.
