

Available in a 5.5 oz. can, 24-5.5 oz. cans, 4 lb. bag, or 4-4 lb. bags.

**GERIATR<sup>™</sup>**  
Feline Diet  
*Nourriture Pour Chats*  
Use as a supplement to and top dressing for dry Wysong Diets.  
NET WT. 5.5 oz. (156 g)

Feline Geriatr<sup>™</sup> is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profile for Maintenance.

INGREDIENTS: Chicken, Chicken Liver, Water Sufficient for Processing, Ground Extruded Whole Soybeans, Carrots, Ground Brown Rice, Ground Corn, Barley, White Egg, Dicalcium Phosphate, Taurine, DL-Methionine, Vitamins, Ground Flax Seeds, Dried Kelp, Dried Wheat Grass Powder, Dried Barley Grass Powder, Natural Extractives of Sage, Natural Extractives of Rosemary, Garlic, Black Pepper, Artichoke, Ascorbic Acid, Zinc Proteinate, Iron Proteinate, Vitamin E Supplement, Niacin Supplement, Manganese Proteinate, Calcium Pantothenate, Thiamine Mononitrate, Copper Proteinate, Pyridoxine Hydrochloride, Riboflavin Supplement, Vitamin A Acetate, Folic Acid, Biotin, Vitamin B<sub>12</sub> Supplement, Vitamin D<sub>3</sub> Supplement.

ANALYSIS: Crude Protein Min. 9.0%, Crude Fat Min. 5.0%, Crude Fiber Max. 1.3%, Moisture Max. 75%.

FEEDING GUIDE: Use as a supplement to and top dressing for dry Wysong Diets in conjunction with the Wysong Optimal Health Program<sup>™</sup> for animals. Feline Geriatr<sup>™</sup> can be fed at a rate of approximately 2.5 oz. per 4 lbs. of your cat's body weight. This should be divided into at least 2 daily portions, and should be decreased in proportion to the amount of supplementation with other foods. For cats, feed 1/2 a time daily as much as can be eaten in 30 minutes and remove remainder. Allow to reach room temperature if, if you choose, lightly warm leftover food (in proper container) before feeding again. Refrigerate or freeze unused or unused portions. To maximize nutritional benefits, supplement with the appropriate Wysong Biotic<sup>™</sup> supplement (enzymes and vitamins), Pet Inoculata<sup>™</sup> (probiotic cultures), and E.F.A.<sup>™</sup> (essential fatty acids).

~ WYSONG PHILOSOPHY ~

Wysong Corporation's purpose is to create products and educational aids to enhance the health of humans, animals and the environment. Wysong Diets<sup>™</sup> have emerged from this commitment and are part of an advanced Optimal Health Program<sup>™</sup> (see below) scientifically developed by Wysong and refined since 1979.

**Features:**

- **FRESH:** Fresh ingredients as starting materials.
- **NATURAL FORM:** An emphasis on naturally complexed nutrients — not just isolated improperly balanced, poorly bioavailable synthetics or food fractions.
- **NUTRITIOUS FATS:** Carefully chosen, processed, and packaged to protect against free radical/oxidation degradation.
- **PHYTONUTRIENTS:** An array of nutrients from fresh plant sources.
- **VARIETY:** Designed for variety and maximum nutrition.
- **PRESERVATION:** Nutri-Pak<sup>™</sup> oxygen- and light-barrier, non-permeable packaging that prevents nutrient degradation by oxygen and light.
- **NUTRITION-FIRST PROCESSING:** Specialized processing to protect fragile nutrients.

Cut Here.  
Seal with Nutri-Clip<sup>™</sup> to preserve freshness.

Crude Fat (Min.)	15.5%
Crude Fiber (Max.)	7.0%
Moisture (Max.)	12.0%
Taurine (Min.)	0.20%

Geriatr<sup>™</sup> Feline Diet is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profile for Maintenance.

**INGREDIENTS**

Chicken, Chicken Giblets, Poultry Fat (preserved with mixed Tocopherols as a source of vitamin E), Ground Brown Rice, Ground Wheat, Ground Corn, Ground Oat Groats, Fish Oil, Salt, DL-Methionine, Taurine, Eggs, Plums, Dried Wheat Grass Powder, Dried Barley Grass Powder, Whey, Dried Yogurt, Lecithin, Citric Acid, Sage Extract, Rosemary Extract, Dried Kelp, Garlic, Black Pepper, Artichoke, Dried Bacillus subtilis Fermentation Product, Dried Enterococcus faecium Fermentation Product, Dried Lactobacillus acidophilus Fermentation Product, Dried Lactobacillus casei Fermentation Product, Dried Lactobacillus lactis Fermentation Product, Dried Yeast Culture, Dried Aspergillus niger Fermentation Product, Dried Aspergillus oryzae Fermentation Product, Ascorbic Acid, Zinc Proteinate, Iron Proteinate, Vitamin E Supplement, Niacin Supplement, Manganese Proteinate, Calcium Pantothenate, Thiamine Mononitrate, Copper Proteinate, Pyridoxine Hydrochloride, Riboflavin Supplement, Vitamin A Acetate, Folic Acid, Biotin, Vitamin B<sub>12</sub> Supplement, Vitamin D<sub>3</sub> Supplement.

**FREE WYSONG E-MAIL SUBSCRIPTION SERVICE** ~ Short periodic E-mail postings containing provocative thoughts, new research findings, resources, new products, humor, health-related news...and more. Just E-mail us at [wysong@wysong.net](mailto:wysong@wysong.net) and say "Subscribe" — Easy to unsubscribe too.

**FREE WYSONG OPTIMAL HEALTH PROGRAM BROCHURE** ~ Explains by means of a pyramid the steps necessary to create optimal health for companion animals. These four pages contain more wisdom than a degree in nutrition provides. Free with your self-addressed stamped envelope, or at [www.wysong.net](http://www.wysong.net).

**FREE WYSONG PRODUCT CATALOG** ~ Hundreds of products for thinking people and their companion animals. Free, or visit our website at [www.wysong.net](http://www.wysong.net).

**THE THINKING PERSON'S MASTER KEY TO HEALTH** ~ An entertaining and thought-provoking relook at how health should be approached. Dr. Wysong wipes away all the modern assumptions on nutrition and health and with a clean slate logically rebuilds proper thinking. If you would like to take control of your health destiny and that of your family and pets, and know you are doing the right thing, this is the place to start. CD \$12.95.

**THE TRUTH ABOUT PET FOODS** ~ A 256-page, 32-chapter book describing the crisis in the modern approach to animal feeding. A definite eye-opening wake-up call for anyone wanting to avoid modern pet feeding traps and learn how to take intelligent control of health. Softcover \$12.95.

**HOW TO APOLOGIZE TO YOUR PET** ~ Fresh and Varied Feeding with the Wysong Optimal Health Program ~ A 28 pp. booklet with practical advice about feeding your pet to optimize health and longevity. Includes background and recipes. Illustrated. Softcover Free. *Are you feeding correctly? Visit [www.wysong.net](http://www.wysong.net) for details.*

**NUTRI-CLIP<sup>™</sup>** ~ Protect the high nutritional value of your Wysong food. Reusable sealing device for Nutri-Pak<sup>™</sup> packages. Can be used for convenient closing of other packages as well. Free with paid order of any of the above.

**FEEDING GUIDE**

**GENERAL INSTRUCTIONS:** Any sudden change in diet may result in digestive disturbances. Wysong Diets<sup>™</sup> are unique formulations, and should be gradually introduced. Over a period of 15 days, mix Wysong with the present diet beginning at about 10% and then gradually increase proportions. If difficulties arise, return to a smaller percentage and try again. Problems may require the use of another Wysong Diet<sup>™</sup>, or supplementation with products such as Wysong F-Biotic<sup>™</sup> and Pet Inoculant<sup>™</sup>.

The amount fed should be adjusted to maintain an ideal body weight. Do not overfeed, regardless of the pet's eagerness. Overconsumption leading to digestive upset is the most common difficulty pets have adjusting to this highly concentrated, unique nutritional formulation.

To augment and provide occasional variety to the diet: lightly heat, add water, sprinkle with Wysong AddLife<sup>™</sup> or F-Biotic<sup>™</sup>, offer Cat Treats<sup>™</sup>, or mix with Wysong canned diets, Archetype<sup>™</sup> Diets, and fresh whole foods.

Always keep fresh, pure water (enhanced with Wysong WellSpring<sup>™</sup> water rejuvenator) available and offer plenty of fresh air, sunshine, exercise, and big doses of your tender loving care.

The following amounts suggested should be decreased in proportion to the amount of supplementation with fresh whole foods, Archetype<sup>™</sup> Diets, or Wysong canned diets. Additionally, factors such as stress, amount of activity and breed of pet may make it necessary to adjust the amount of feeding.

If fed singularly on any given day, the following general instructions apply:

**SUGGESTIONS FOR FELINES:**

Weight of Cat	5 Lbs.	10 Lbs.	15 Lbs.	20 Lbs.
Amount of Daily Feeding	1/3 cup	2/3 cup	1 cup	1-1/4 cups

Most adult cats should be fed twice per day. Kittens should be fed free choice (as much as can be eaten in 30 minutes) several times per day.
