

Colex is a nutritional supplement designed to support the health of the intestinal tract and its anti-pathogenic, anti-parasitic and anti-toxic properties.**

Suggested Dosage: Begin with 2-4 capsules three times daily. After two days increase dose to 6-8 capsules three times daily until bottle is finished. Be sure to increase consumption of water (4-10 glasses of pure water enhanced with Wysong WellSpring™ daily) while taking Colex. Colex is best assimilated if swallowed with meals. For best results, Colex should be used as part of the Wysong Optimal Health Program™.*

For long-term usage discontinue two days out of every week and five successive days every month to decrease the potential for intolerance developing.
