CHICKEN
Gourmet™

CHICKEN GOURMET™ is formulated to meet the nutritional levels established by the AAFCO Cat and Dog Food Nutrient Profiles for maintenance.

INGREDIENTS: Chicken, Fish, Water Sufficient For Processing, Chicken Liver, Wheat Germ, Ground Extruded Whole Soybeans, Ground Brown Rice, Taurine, DL-Methionine, Yeast Culture, Ground Flax Seeds, Dried Kelp, Dried Wheat Grass Powder, Dried Barley Grass Powder, Garlic, Black Pepper, Natural Extractives of Sage and Rosemary, Ascorbic Acid, Zinc Proteinate, Zinc Sulfate, Ferrous Sulfate, Iron Proteinate, Vitamin E Supplement, Niacin Supplement, Manganese Sulfate, Manganese Proteinate, Calcium Pantothenate, Thiamine Mononitrate, Copper Proteinate, Copper Sulfate, Pyridoxine Hydrochloride, Riboflavin Supplement, Sodium Selenite, Vitamin A Acetate, Folic Acid, Menadione Sodium Bisulfite Complex, Biotin, Vitamin B₁₂ Supplement, Vitamin D₃ Supplement.

FEEDING GUIDE: Use as a supplement to and top dressing for dry Wysong Diets in conjunction with the Wysong Optimal Health Program for animals. Chicken Gourmet can be fed at a rate of approximately 5.5 oz. (1 can) per 8 lbs. of your pet's body weight. This should be divided into at least 2 daily portions, and should be decreased in proportion to the amount of supplementation with other foods. For cats, feed as much as can be eaten in 30 minutes and remove remainder. Refrigerate or freeze unused or uneaten portions. Allow to reach room temperature or, if you choose, lightly warm leftover food (in proper container) before feeding again. To maximize nutritional benefits, supplement with the appropriate Wysong Biotic™ supplement (enzymes and vitamins), Pet Inoculant™ (probiotic cultures), and E.F.A.™ (essential fatty acids).
