GERIATRX™

**Feline Geriatrx™** is formulated to meet the nutritional levels established by the AAFCO Cat Food Nutrient Profile for Maintenance.

**INGREDIENTS:** Chicken, Chicken Liver, Water Sufficient for Processing, Ground Extruded Whole Soybeans, Carrots, Ground Brown Rice, Ground Corn, Barley, Whole Egg, Dicalcium Phosphate, Taurine, DL-Methionine, Yeast Culture, Ground Flax Seeds, Dried Kelp, Dried Wheat Grass Powder, Dried Barley Grass Powder, Natural Extractives of Sage, Natural Extractives of Rosemary, Garlic, Black Pepper, Artichoke, Ascorbic Acid, Zinc Proteinate, Iron Proteinate, Vitamin E Supplement, Niacin Supplement, Manganese Proteinate, Calcium Pantothenate, Thiamine Mononitrate, Copper Proteinate, Pyridoxine Hydrochloride, Riboflavin Supplement, Vitamin A Acetate, Folic Acid, Biotin, Vitamin B<sub>12</sub> Supplement, Vitamin D<sub>3</sub> Supplement.

**ANALYSIS:** Crude Protein Min. 9.0%, Crude Fat Min. 5.0%, Crude Fiber Max. 1.3%, Moisture Max. 75%

**FEEDING GUIDE:** Use as a supplement to and top dressing for dry Wysong Diets in conjunction with the Wysong Optimal Health Program™ for animals. Feline Geriatrx can be fed at a rate of approximately 5.5 oz. per 8 lbs. of your cat's body weight. This should be divided into at least 2 daily portions, and should be decreased in proportion to the amount of supplementation with other foods. For cats, feed 1 to 2 times daily as much as can be eaten in 30 minutes and remove remainder. Allow to reach room temperature or, if you choose, lightly warm leftover food (in proper container) before feeding again. Refrigerate or freeze unused or uneaten portions. To maximize nutritional benefits, supplement with the appropriate Wysong Biotic™ supplement (enzymes and vitamins), Pet Inoculant™ (probiotic cultures), and E.F.A.™ (essential fatty acids).
