

Available in 6.5 oz. or 3.5 lb. sizes.

WYSONG

PDG™
Canine and Feline Food Supplement
Made in USA

PDG™ is designed to enhance and augment the nutritional value of dog and cat foods.

Net Wt. 6.5 oz. (184 g)

Keep tightly sealed, freeze, refrigerate, or store in a cool dark place.

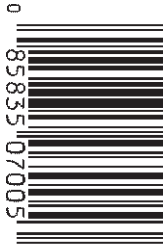

Directions:

1. As a palatability and nutrient enhancer of commercial foods, PDG may be sprinkled dry onto the surface of the food.
2. As a contributing source of calories and nutrients to commercial foods, use one part PDG to replace approximately four parts of the normal diet. In other words, one cup of commercial food can be replaced with one quarter cup of PDG. Simply mix with warm water (approximately 5 parts PDG to 1 part water) to form a paste which can be either free fed or force fed.
3. As a sole source of nutrition to debilitated and anorectic animals, PDG may be diluted into a liquid (approximately 1 part PDG to 1 part water) to permit oral syringe feeding or stomach tube feeding. Approximately 4.5 oz. of PDG per 20 lbs. body weight daily.

GUARANTEED ANALYSIS

Crude Protein	Min.	37.0%
Crude Fat	Min.	24.0%
Crude Fiber	Max.	2.0%
Moisture	Max.	12.0%
Taurine	Min.	0.1%

Caloric Content: Approximate Kcal./oz. (ME) = 135

3
