

WILD THINGS™

Canine and Feline Food Supplement

Made in USA

Wild Things™ is a natural blend of nutrient-rich fruits and vegetables.

Net Wt. 7.5 oz. (212 g)

Keep tightly sealed, freeze, refrigerate, or store in a cool dark place.

INGREDIENTS: Celery, Beets, Spinach, Parsley, Lettuce, Watercress, Alfalfa, Wheat Grass Juice, Barley Grass Juice, Chlorella, Plums, Organic Apples, Organic Blueberries, Watermelon, Strawberry Juice, Banana Juice.

Wild Things™ was designed to provide pets with nutritious whole non-heat processed vegetable foods that closely resemble what they might consume in the wild. Fruits, vegetables, and grasses provide excellent sources of easily assimilated vitamins, minerals, and amino acids as well as phytochemical nutrients. Phytochemicals act as antioxidants that help to prevent free radical damage which can lead to such diseases as cancer and arthritis.

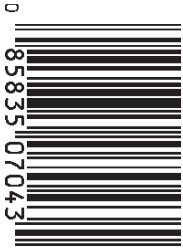

Directions: As a supplement to dry and canned foods, sprinkle liberally over food.

As a supplement for raw/homemade diets, Wild Things™ may be added directly to your recipe at a rate of 1 teaspoon per 3 oz. of food. This is an approximate guideline, the feeding amount may be reduced or increased depending upon your pet's nutritional requirements.

Wild Things™ Canine and Feline Supplement is intended for intermittent or supplemental feeding only. May also be rotated with Wysong Whole Food Concentrate™.

Guaranteed Analysis:

Crude Protein	Min.	19%
Crude Fat	Min.	3.0%
Crude Fiber	Max.	14%
Moisture	Max.	12%
Taurine	Min.	0.0%
